Dear Youth Supporter:

The Parma Hockey Association is a non-profit organization (#23-7281860) with over 250 members from Parma, Ohio and the surrounding areas. We are in the process of collecting donations from businesses who are interested in helping to support our youth hockey program.

Your donation will go towards the Parma hockey team made up of youths from Parma and the surrounding area. All proceeds will go towards tournaments and other hockey items to enhance the children's sports experience.

If you choose to make a donation, either contact myself (see information below) or forward your donation to the address above. Your donations and efforts for our community are **greatly** appreciated.

Respectfully,
